

# November News

## Mrs. Arsenault's Kindergarten Class

### The Story of October

In October we learned about the life cycle of apples and pumpkins. We went pumpkin picking and picked one apple. Students made their own picture life-cycle of a pumpkin. The month ended with the kids sharing about their Halloween experiences.

### A taste of November

November we will be learning about leaves and introducing the history Thanksgiving. We will start to learn how to draw a story in writing. Also, we will start learning about Nursery Rhymes.

### Upcoming Events
